Players must have been born during or after, the divisional year, as defined by US Soccer guidelines. Depending on the age group, a team using guest players may have no more than four (4) to six (6) loan/guest players.

Except for foreign/international teams, competitive teams must be registered with a National Soccer Association affiliated with US Soccer/US Youth Soccer and present a valid State roster. For these teams, the only acceptable proof of age will be a valid US Soccer/US Youth Soccer, State, or National registration card that includes a signature and a photograph of the player. Players on these competitive teams who do not present valid player passes will not play.

The recreational team must produce, at registration, a roster signed by an official of the club (which club must be affiliated with US Youth Soccer or some other national soccer organization) with which they are affiliated and played, listing each player, including their date of birth, and must provide, at registration, a birth certificate or state or nationally certified player pass, for each such player evidencing that player's eligibility to play on that team based on birth date.

A player may compete for only one team participating in the tournament. In the event a player is found to have been rostered to more than one team in the tournament, the second team on which the player is rostered in the tournament shall be deemed as the team that fielded an ineligible player. Any team fielding an ineligible player will be disqualified from the tournament and their tournament fee will be forfeited.

Teams participating in the tournament must provide notarized medical releases for each player in a format as required by the Tournament Committee and as posted on the tournament web-site. Foreign/international teams are exempt from the notarization part of this requirement. These authorizations shall be presented at registration and a copy kept by the team at the field, available for presentation in the event of an emergency.

Where required by the State or National Association for which a team/player is registered, all competitive teams/players traveling from within the United States but outside the State of Florida must have a copy of their Permission to Travel Forms, approved and signed by a USSF or duly authorized State or National Association representative.

Foreign Teams must have written permission and verification from their Federation, indicating authorization to participate in the Tournament. Players must present passports at registration (including Canadian citizens). These teams must present a certified roster signed by an official of the Club with which they are affiliated and played, listing each player, and including their date of birth.

For U14 and older, the game-day roster of 18 players may change from game to game, but the players on the overall tournament roster of 22 players may not change.

Players may not be listed on more than one tournament roster for the tournament. Rosters must be approved by the tournament and only approved rosters may be used as game rosters. At the end of the preliminary rounds, if the division winner determines the finalists for a particular age group and bracket, the division winner will be the team with the most points in their division. In the event of a tie within a division, the following criteria will be used to determine who moves forward:

1. Head-to-head competition (this criterion will not be considered in the case of a tie among more than two (2) teams.)
